

Remarks by spokesman of Islamic Emirate concerning today's Kabul explosion

A huge explosion by a car bomb took place earlier today in Kabul city, killing and wounding hundreds with the target of attack also remaining unknown.

This explosion has nothing to do with the Mujahideen of Islamic Emirate. Our Mujahideen are not involved in this incident and neither are the Mujahideen allowed to carry out such a large explosions at ill-defined areas.

Who has carried out this attack and for what purpose shall become clear at a later stage however the Islamic Emirate condemns every explosion and attack carried out against civilians, or in which civilians are harmed and has no legitimate target.

Our countrymen must rest assured that the Kabul attack is not the work of Mujahideen.
