

**Bismillaahir Rahmaanir Raheem**

“Kashmiri Mujahideen’s and people’s first time clear announcement of Shariat or Shahadat... Harkatul Mujahideen and Hizbul Mujahideen local leadership’s announcement of continuing “agencies free” Shari’ and Methodologic Jihad despite their central perfidious leadership... Chief of Kashmiri jihad Burhan Muzaffar wani’s (Shaheed RA) companions and his vicegerent Kashmiri young Jihadi leadership’s demand of pure Islamic values... Announcement of dissociation and hate with secular political parties, secular state, napak army and establishment... Prominent reflection of Al-Qaida Leadership’s (e.g Imam-ul-Mujahideen Sheikh Anwar-al-Awlaqi R.A and Sheikh Abu Hamza Al Muhajir R.a etc) in their videos and statements... Moreover, this time Kashmiri Muslim’s uprising and collision with full power against India only for the sake of Allah (SWT) without any political agenda or Pakistani help which has no evidence in previous history.....

All this shows that Ameer-ul-Mujahideen Hazrat Maulana Asim Umar’s and other Al-Qaida leadership’s (May Allah protect them) hard work and thinking about Kashmir is going in right direction and showing its impact and fruitful results.

Moreover, all this also shows that Sincere and Methodological Dawat & vision is more beneficial and powerful than any Tawagheet’s knavish help.

Now let us see that in a situation when Kashmiri people have clarified their path and direction despite all their “limitations” , which path is taken by all those other Pakistani Jihadi organizations(Al-Badar,Jamat-ul-Dawah/Lashkari Taiba, Jaish-e-Mohammad,Tehreek Ghalba-e-Islam etc) which show their loyalty to Kashmiri Jihad while operating completely under Intelligence agencies.

So Oh people of Kashmir,

Oh people of India,

Be Steadfast and keep sincerity...”
