Remarks by spokesman of Islamic Emirate regarding propaganda of Tolo television

📁 in Statements 🕒 December 18, 2018 👁 282 Views

In the series of devilish conspiracies, Tolo television has published a report referencing a outlet that a senior leader of Islamic Emirate has said that there are up to 3000 foreigners but they are not allowed to carry out activities against other countries.

We categorically reject this report as well as any such unfounded allegation against any Islamic Emirate.

Devil circles, by publishing such rumors on demand of intelligence agencies, try to invent different sides and spread fear in these sensitive moments.

Islamic Emirate assures all sides that no foreigners exist in Afghanistan. After the American citizens of all countries who came to Afghanistan for jihad against Soviet Union returned due to war and other problems.
